The name of Miss Akase Heller, student in the eighth grade of the Paris High School, was omitted from the published report of the Honor Roll which appeared Friday in the News. Her report showed that she received a percentage of 90. A typographical error in the same report gave Miss Frieda Heller who is a member of the senior class an average of 96 per cent instead of 97. Miss Heller, who leads her class for the month, is a very bright student and will be one of the graduates next June.

James Clay is Rapidly Improving.

The many friends of James T. Clay, son of Mrs. John Ireland, of Lexington, in this city, will be glad to learn that he is improving from the attack of paralysis suffered recently, and for which he has been treated by Dr. Chas. Garr at the Red Cross Hospital, in New York since December 27. It is expected he will be able to return home within the next week or two.

While carrying some court records into one of the rooms in the court house at Lexington a few weeks ago, Mr. Clay was taken suddenly ill. He was taken to his home but grew worse and his right side was soon affected with paralysis. He was then taken to New York for treatment by a specialist.

It is believed by the attending specialist that Mr. Clay at some time previous to his being taken ill had received a blow in the head, from which resulted a hemorrhage of the brain. Mr. Clay cannot recall any occasion when he was struck on the head. He is now able to put his right hand to his face and can bear his weight upon his right foot.

Dates for State and Bourbon Fair Stand.

President J. M. Hall, Secretary Chas. A. Webber and the entire Board of twenty Directors of the Bourbon County Agricultural Society went to Lexington Friday to enter a protest before the State Board of Agriculture against the changing of the dates of the State Fair to conflict with those previously claimed by the Bourbon Society.

To give the men representing the Bourbon Fair a chance to be heard the State Board held an adjourned meeting Friday morning, but decided not to change to newly selected dates for the State Fair. This action was taken after considering the protests of the Bourbon representatives.

The stockmen, farmers and citizens generally are up in arms over the action taken by the State Board. The State Fair is set for the week of September 4, in direct conflict with the Bourbon Fair, which has been in existence for sixty-three years and is the oldest fair South of the Ohio River.

Packing Company Entertains Stockholders.

The stockholders of the Baldwin Packing Company met at the plant of the concern near this city Friday afternoon for the purpose of electing a board of directors for the ensuing year, and after the business session they were entertained with an elaborate luncheon.

The stockholders, sixty in number, at the business session chose the following to compose the board of directors: Messrs. M. R. Jacoby, T. J. Judy, North Middletown; George Wyatt, C. Arnsperger, F. L. Lapsley, C. C. Clark and Hon. C. M. Thomas. They were then taken through the plant and after the tour of inspection repaired to the sausage room where a luncheon prepared from the products of the packing plant (with the exception of a few delicacies) was served.

On October 17, 1910, the plant began operations and at this time is employing thirty-five men at good salaries. At present they are slaughtering one hundred hogs daily and since beginning operations have butchered a total of 2,500 hogs and one hundred hives. The enterprise from the start had been one of great success. The products are meeting the demands of the public and the business is daily increasing in volume.

The Bourbon Fiscal Court has been urged to take up the matter of macadamizing a road about one-quarter of a mile in length leading to the plant of the packing company and some action should be taken along this line.

Paris Girls Defeat Richmond Team.

Not less than one hundred and fifty persons saw the basket ball game Friday night between the girls team representing the Paris High School, of Richmond, in which the Paris girls overwhelmed the visitors by a score of 31 to 6.

The game was scheduled between the Paris High School and the Mason County High School. A message was received Friday from the Mason county team that they could not play the game and Richmond was secured to fill the engagement.

The L. & N. train from Richmond being one hour and a half late, the game did not begin until about 8:30 o'clock. Paris—Elsie Heller, captain, guard; Frieda Heller, guard; Edna Keller, center; Nellie Rummaus, forward; Jessie Denton and Clara Collins, forward.

The game will be played in the gymnasium of the Paris Public School, and will be called at 7:30 o'clock. Admission 25 cents. The High School Band always gives a concert before each game.
